1. INTRODUCTION

The Promotion of Access to Information Act, No. 2 of 2000 (the “**PAIA**”) seeks to give effect to the constitutional right to access information as contained in section 32 of the Bill of Rights. The PAIA seeks to advance the values of transparency and accountability.

The PAIA establishes certain statutory rights of requesters to access records of a private body if:

- that record is required for the exercise or protection of any rights;
- that requester complies with all the procedural requirements; and
- access is not refused in terms of any ground referred to in the PAIA.

The Protection of Personal Information Act, No. 4 of 2013 (the “**POPI Act**”) seeks to give effect to the constitutional right to privacy as contained in section 14 of the Bill of Rights. The POPI Act seeks to safeguard personal information by regulating the manner in which it may be processed by public and private bodies.

The POPI Act provides that data subjects have the right to have their personal information processed in accordance with the conditions for the lawful processing of personal information, which are set out in the POPI Act.

One of the requirements specified in the PAIA, is the compilation of an information manual that provides information which includes the types and categories of records held by a private body (this relates to PAIA) as well certain information relating to the processing of personal information (this relates to the POPI Act).

The PAIA and the POPI Act are collectively referred to in this document as the “**Acts**”.

2. SCOPE AND PURPOSE OF THE MANUAL

This manual is applicable to EMERIO FRAUD RISK ADVISORY SERVICES (“**EMERIO**”), serves as its information manual and provides reference to the records held by EMERIO as well as the personal information processed by EMERIO from time to time.

10.1.1. COMPLETION OF ACCESS REQUEST FORM

To facilitate a timely response to requests for access, all requesters should take note of the following when completing the Access Request Form:

- The Access Request Form, attached as **Annexure 1** hereto, must be completed.
- Proof of identity is required to authenticate the identity of the requester – in addition to the Access Request Form, requesters will be required to supply a certified copy of their identification document or a valid passport document, or if a legal entity, a certified copy of the Company Registration Certificate.
- Type or print in BLOCK LETTERS an answer to every question.
- If a question does not apply, state "N/A" in response to that question.
- If there is nothing to disclose in reply to a particular question state "NIL" in response to that question.

- If there is insufficient space on the printed form, additional information may be provided of an additional attached folio.
- When the use of an additional folio is required, precede each answer with the applicable title.

Please note that the successful completion and submission of an Access Request Form does not automatically allow the requester access to the requested record. An application for access to a record is subject to certain limitations if the requested record falls within a certain category as specified within Part 3 Chapter 4 of the PAIA.

If it is reasonably suspected that the requester has obtained access to records through the submission of materially false or misleading information, legal proceedings may be instituted against such requester.

10.1.2. SUBMISSION OF ACCESS REQUEST FORM

The completed Access Request Form, together with a certified copy of the requester's identity document, must be addressed to the Information Officer and submitted via the contact details stated in paragraph 5.as indicated above.

An initial **request fee of R57.50 (including VAT)** is payable on submission of the Access Request Form.

10.1.3. PAYMENT OF FEES

Payment details can be obtained from the Information Officer indicated above and can be made either via a direct deposit, by bank guaranteed cheque or by postal order (no credit card payments are accepted). Proof of payment must be supplied via the contact details stated in paragraph 5.

If the request for access is successful an **access fee** may be required for the search, reproduction and/or preparation of the record(s) and will be calculated based on the **Prescribed Fees** as set out in **Annexure 2** hereto. The access fee must be paid prior to access being given to the requested record.

10.1.4. NOTIFICATION

The Information Officer will, within 30 (thirty) days of receipt of the request, decide whether to grant or decline the request and give notice with reasons (if required) to that effect.

This 30 (thirty) day period may be extended for a further period of not more than 30 (thirty) days, if the request is for a large volume of information, or the request requires a search for information held at other offices and the information cannot reasonably be obtained within the original 30 (thirty) day period. The requester will be notified in writing should an extension be sought.

10.2. GROUNDS FOR REFUSAL OF ACCESS TO RECORDS (CHAPTER 4)

The main grounds for refusal of a request for information are:

- Mandatory protection of the privacy of a third party who is a natural person, which would involve the unreasonable disclosure of personal information of that natural person;

 - Trade secrets of that party;

- Financial, commercial, scientific or technical information which disclosure could likely cause harm to the financial or commercial interests of that party;
- Information disclosed by a third party to EMERIO if the disclosure could put that third party at a disadvantage in negotiations or commercial competition;
- Mandatory protection of confidential information of third parties if it is protected in terms of any agreement – the provisions of the PAIA to apply in relation to the rights of the relevant third parties;
- Mandatory protection of the safety of individuals and the protection of property;
- Mandatory protection of records which could be regarded as privileged in legal proceedings;
- The commercial activities of EMERIO, which may include:
 - Trade secrets of EMERIO; and
 - Financial, commercial, scientific or technical information which, if disclosed, would likely cause harm to the financial or commercial interests of EMERIO.

10.3. APPEAL AGAINST REFUSAL TO GRANT ACCESS

If a requester is aggrieved by the refusal of the Information Officer to grant a request for a record, the requester may, upon notification of the Information Officer's decision (or upon deemed refusal in terms of Section 58 of the PAIA), lodge a complaint to the Information Regulator or apply to court for appropriate relief within the timeframes as prescribed by the PAIA.
